# TAKE it or LEAVE it!

Along with our BIG BIN event ( see other side) we are having a swap it table for those items that still have some life left. If you have things that are still working/serviceable and don't just want to throw them out, bring them by and check out what everyone else has left on Saturday August 31, 2019, Please note that any items left over at the end of the event will be donated or going into the big bin for disposal .

**You just might find that treasure you've been looking for.**

Along with our TAKE it or LEAVE it ( see other side) we are having a BIG BIN trash collection for our residents. If it is in the way and you don't want to make that trip to the dump. This is your chance to get rid of that thing in the basement.

**Please remember that we can NOT accept refrigerators, freezers or major appliances. Hazardous waste is also prohibited such as Paint, flammable liquids, propane tanks. Gas engines with attached fuel tanks must be emptied of any oils/gasoline.**
