Speed Trailer Report Analysis

May 23 – July 4 2020

From the Data gathered by our Speed Trailer in place at the hall we registered the following

South Bound traffic only

Total Vehicle count 13551 for the period

Vehicle Speeds in

Excess of	100KM per hour	25 with a top recorded speed of 150 KPH
Between	71-99KM per hour	375
Between	61 and 70KPH	1801
Between	55-60 KPH	6497
Between	50 -55 KPH	3906
Under	50 KPH	947

What this shows is that 2201 vehicles travelling on the main road were 10 KPH above the posted limit 50KPH and 400 were speeding at least 20KPH over the posted limit and 25 at 100KPH with one traveling at 150KPH at 4 AM on June 27

As more data is gathered and a better pattern is developed we hope to be able to provide enforcement of the speed limits with the help of the RCMP and other law enforcement agencies.

This is currently only measuring North bound traffic mid-beach and as time permits we will be moving the trailer to monitor other areas and locations.

Remember the speed limit is
50KPH along the main road
30KPH in ALL areas past the storage area
15KPH on the lane and approaches – ALL
vehicles including ATVs
