

Your Community

Bonnyville Beach is a pretty good place to be in the summertime and not too bad throughout the rest of the year.

Your Council works to make it better and tries very hard to not make it too expensive.

Council meetings are scheduled for the fourth Tuesday of the month at 5PM with exceptions in December and January.

Contact your councilor or the beach office—phone or email and visit the website often. We want to hear from you, and we always try to meet the needs of our taxpayers.

Annual Meeting 2017

Don't miss the Annual Meeting at the Recreation Hall on July 15

Come talk to your neighbours and council. Bylaws for animal control and responsibilities will be discussed. Changes to the intersection at the south end of the village are on the agenda

Sewage and Waste inspections will be done during the next year.

We ask that if you have a pump-out holding tank, be prepared to provide an approximation of the period between pump outs. If you have had a tank installed in the last 3 years, please have available the permit and the name of the installer who did the work.

Please see the full by-laws on the web site.

Just Naturally Better

Your combined Tax/ Assessment Notice for 2017

Costs of postage keep going up—Some of you have received this document and your tax notice by email. You will still get it mailed to you, due to regulations. Please notify us as to your email address by sending an email to svbbtaxpay@gmail.com

Summer Village of Bonnyville Beach

Phone 780-826-2925

Taxes and Assessment

Your Tax notice from the summer village is a combined notice of assessment and taxes due.

Your assessment is done by a qualified assessor. The date of assessment is July of the previous year and is determined by the market forces in the local area. Unfortunately the costs involved in running the village have gone up a bit but the council and administration have tried

Talk to us...
we'll listen

to keep the taxes as low as possible.. For 2017 most rate payers will see a small increase in the tax bill, since we have an increase in Education taxes and the requisition from the Seniors foundation in Bonnyville

So far in 2017—

There is a lot of work being done to work out a solution to the Y intersection at the South end of the beach, Clearly delineating the road to Perch Close and Walleye way
The Solid waste site will have 3 bins for the summer months this year and we hope everyone follows the rules as to the type of waste allowed in the bins.

For copies of Bylaws by Email please send the request to admin@bonnyvillebeach.com specifying which bylaw you wish receive. Bylaws are also posted on the Web site: www.bonnyvillebeach.com

Taxes and Penalties

Taxes are due and payable in full by June 30th of the year. Penalties will be applied to late payments as noted on the tax notice. If you have any questions about your tax bill or payments please contact us prior to the due date, note that the office is NOT open every day, and the best way to contact us is via email to

admin@bonnyvillebeach.com

Voice mail is checked on a regular basis, but faster response is more likely from an email.

Electronic payment options coming

We are setting for electronic payments for taxes, But as of this writing we won't have them implemented by June in time for this years taxes. When the E payment option is active we will be sending out detailed instructions for our ratepayers.

Monthly Installment Payments

We do have a plan for people who wish to make monthly payments on the taxes. The calculated amount is provided to those on installments with the tax notice.

If you wish to start monthly payments, your current tax bill will be divided into 6 equal payments (July-December) of this year and the installments for 2018 will be calculated to start in January of that year. Regulations do not allow for extending tax payments beyond the end of the current year.

Please note that installment requests must be made prior to June 20th to allow for setting up the schedule prior to June 30th to avoid penalties.

To Set up installment payments for 2017
email the administration.

Payments for taxes would be calculated as:

Current year taxes / 6 for the amount from July thru December.

Estimated payment for January thru June of 2018 would be the current taxes/ 12—rounded up to even dollar amounts applied as credit memo to your account.

The remainder of 2018 taxes would be spread over the next 6 months (July-December)

All installment checks / payments are due for deposit on the 15th of the month.
