- ✓ The new Chief Administrative Officer is Shirley Yuschyshyn (effective May 1, 2026)

Update Contact Information

Please send the Village changes of address, phone numbers, or email address. This is the best way for the Village to notify you with information, or about emergencies and changes that affect you. Send your updated information to: admin@bonnyvillebeach.com

2026 Taxes: Combined Assessment and Tax Notice 2026

Taxes are due on June 30, 2026.

There are several ways to pay your taxes. Pay the full amount to the Summer Village of Bonnyville Beach on or before June 30th. The full amount can be mailed to the Summer Village, or dropped off in the mail slot at the Village Office. You can pay taxes using e-transfer or direct bill payee. Always include your Tax Roll number, your name and the name of the payment (i.e. tax payment June 2026).

The full amount can be e-transferred to the Summer Village – no password required, submit e-transfers using Summer Village of Bonnyville Beach: admin@bonnyvillebeach.com

Electronic direct payment should be available at your institution if you add the Summer Village of Bonnyville Beach as a direct bill payee. Please ensure that electronic payments arrive by the due date of June 30th. It is your responsibility to pay your taxes in full regardless of the payment method.

The Annual General Meeting for the Summer Village of Bonnyville Beach is

Saturday, July 18, 2026 at the Community Hall.

Meeting begins at 10:00 a.m. To be followed by a BBQ lunch and beverages.

All residents are welcome!

Welcome to Shirley Yuschyshyn, the new Chief Administrative Officer for the Summer Village of Bonnyville Beach. Shirley officially begins as the CAO on May 1st. Shirley has extensive administrative experience and has been serving as the administrator for the Summer Village of Pelican Narrows for many years. Please welcome Shirley to Bonnyville Beach. All Village contact information remains the same. Shirley will be keeping part time office hours at the Village Office. We wish her much success.

The Village thanks Padey Lapointe for serving as the Village book keeper. Padey's last official day in this role is May 1st. We appreciate all that you did for Bonnyville Beach!

Thank you from Richard Cameron. I have been the (interim) Chief Administrative Officer for the Summer Village since March 2025. I gave notice to Council and as of May 1st, I will no longer be in this position. I enjoyed working with Council and residents and wish Council and the new administrator, Shirley Yuschyshyn success.

Fire Bans & Restrictions: Go to the Municipal District of Bonnyville No. 87 website or contact the MD for up-to-date information on fire bans, fire restrictions, or local states of emergency. Phone the M.D. at 780-826-3171. See the M.D. website at: <https://www.md.bonnyville.ab.ca/>

Garbage: The Summer Village has a fenced compound for the garbage dumpsters. The dumpsters are for **bagged household garbage only**. At times there are large items, furniture, or construction materials left on site, this is not acceptable. Please notice and pick up garbage around your property and in the ditches. Do not dump grass clippings and tree trimmings in ditches. This makes it difficult for our maintenance crew. **Help keep our community clean.**

Pets at Large and Dog Poop: Animal Control By-Law 141-2013: be reminded that pets cannot run at large creating a nuisance. It is your responsibility to pick up the poop your pets leave behind.

The Community Storage Yard: The compound is for seasonal storage by residents, not permanent storage. Items stored must be movable, i.e. trailers, boats. Items must be on wheels with a conventional trailer hitch for easy movement as required. The space is limited; one item per lot. Get a storage compound form from the Village to register what you store in the yard.

Speeding: There are two speed limits in the Summer Village: 50 km/hour on the main Bonnyville Beach road and 30 km/hour on Perch Close and Walleye Way. The Village purchased two more speed recording signs to monitor speeding. Please do your part and spread the word to family, friends and guests to slow down. This applies to all vehicles, dirt bikes, motor bikes, ATV's and quads. We welcome RCMP and Peace Officer presence in our community.

Buoys on the Lake: the buoys are placed to indicate areas designated for water traffic to move slowly at 5 km/hour. The area close to shore is only for moving water craft out or in to a lift. This area is recreational space for swimming, kayaking, or canoeing. Respect the lake and your neighbors.

Parking Regulation and Enforcement Bylaw No. 144-2014 is about the control or prohibition of the stopping or parking of vehicles within the municipality and on the access lane owned and maintained by the Summer Village. No vehicle shall be **parked upon any road way, including the access lane, in such a manner as to block, obstruct, or hinder traffic**, including snow removal equipment, emergency vehicles, septic or water services.

We look forward to seeing you around the Summer Village! Have a wonderful Summer!

Respectfully, the Mayor, Council and Administration of the Summer Village.

Grant Ferbey, Mayor
Joshua Paul, Councillor

Laurie Gardner, Deputy Mayor
Shirley Yuschyshyn, Chief Administrative Officer
